### Student Declaration

By submitting this assessment, I acknowledge and agree that:

1. I declare that this assessment has been completed by me and is my own work.
2. I have read and understood the assessment requirements for this unit.
3. This assessment is submitted in accordance with the NVR Copying and Plagiarism Policy. I also understand the serious nature of academic dishonesty (such as plagiarism) and the penalties attached to being found guilty of committing such offences.
4. No part of this assessment has been copied from any other source without acknowledgement of the source.
5. No part of this assessment has been written by any other person, except to the extent of collaboration and/or group work as defined in the assessment.
6. A copy of the original assessment is retained by me and that I may be required to submit the original assessment to the trainer upon request.
7. I am aware that assessments are completed within a simulated work environment.
8. I am aware of my appeal rights.

### Section 3: Produce reports

Summarise the features and functions of evaluation reports.

|                                                                 |  |
|-----------------------------------------------------------------|--|
| What is an evaluation report?                                   |  |
| What is the function of an evaluation report?                   |  |
| What are the features of an evaluation report (at least three)? |  |

|                                                                    |  |
|--------------------------------------------------------------------|--|
| What is the difference between a summary and comprehensive report? |  |
|--------------------------------------------------------------------|--|

Use the templates to develop two comprehensive reports (approximately 3 - 4 pages) that evaluate the economic and political influences on the networking industry in Australia and describe the impact of regulations and legislation on the networking industry.

*Write one report for each of your chosen carriers/service providers.*

*Use the work you've done in Section 1 and 2 in your report.*

**Comprehensive Evaluation Report for:** [Carrier/Service provider 1]

**Executive Summary:**

*Summarise the contents of the report in one or two paragraphs.*

**Introduction:**

*Why are you developing this report?*

**Legislation:**

*List the legislation governing the service providers and carrier.*

*Explain how the legislation is implemented.*

*Explain the importance of data security and safety.*

*Describe regulatory requirements.*

*Discuss rights and obligations of the carriers/service providers.*

**Australian economic conditions:**

*Describe the current economic conditions in Australia.*

*Which factors are contributing to the growth of the economy?*

*Explain how the economic conditions of Australia will affect the growth and planning of your chosen carriers/service providers.*

*Include visual representation of information.*

**Political influences:**

*Summarise the political influences on the networking industry.*

*Evaluate how the political influences impact your chosen carriers/service providers.*

**Issues:**

*Describe issues faced by the carrier and/or issues they may face in the future.*

*Recommend ways to address the issues.*

**Conclusion:**

*What are the main outcomes of your research?*

**References:**

*Reference all your sources.*

**Comprehensive Evaluation Report for:** [Carrier/Service provider 2]

**Executive Summary:**

*Summarise the contents of the report in one or two paragraphs.*

**Introduction:**

*Why are you developing this report?*

**Legislation:**

*List the legislation governing the service providers and carrier.*

*Explain how the legislation is implemented.*

*Explain the importance of data security and safety.*

*Describe regulatory requirements.*

*Discuss rights and obligations of the carriers/service providers.*

**Australian economic conditions:**

*Describe the current economic conditions in Australia.*

*Which factors are contributing to the growth of the economy?*

*Explain how the economic conditions of Australia will affect the growth and planning of your chosen carriers/service providers.*

*Include visual representation of information.*

**Political influences:**

*Summarise the political influences on the networking industry.*

*Evaluate how the political influences impact your chosen carriers/service providers.*

**Issues:**

*Describe issues faced by the carrier and/or issues they may face in the future.*

*Recommend ways to address the issues.*

**Conclusion:**

*What are the main outcomes of your research?*

**References:**

*Reference all your sources.*

Use the templates to produce two summary reports outlining the impact of Australian federal legislation on network service planning processes and accessibility

**Summary Report for:** [Carrier/Service provider 1]

**Introduction:**

*Why are you developing this report?*

**Legislation and regulations:**

*Describe regulatory requirements, including USO and ACCC requirements.*

**Accessibility:**

*Describe the current accessibility of the carrier/service provider across Australia.*

*Evaluate the accessibility of networking services of your chosen carriers/service providers to individuals and organisations across Australia.*

*Use visual representation of information.*

**Impact:**

*How do regulatory and legislative requirements impact accessibility?*

*What are the carrier's rights when providing network accessibility?*

**Summary Report for:** [Carrier/Service provider 2]

**Introduction:**

*Why are you developing this report?*

**Legislation and regulations:**

*Describe regulatory requirements, including USO and ACCC requirements.*

**Accessibility:**

*Describe the current accessibility of the carrier/service provider across Australia.*

*Evaluate the accessibility of networking services of your chosen carriers/service providers to individuals and organisations across Australia.*

*Use visual representation of information.*

**Impact:**

*How do regulatory and legislative requirements impact accessibility?*

*What are the carrier's rights when providing network accessibility?*

Draft an email to share your reports with each service provider/carrier here:
